

IV. SENTENCING

Criminal L.R. 32.1 Objections to Presentence Investigation

In any case in which the defendant has waived the time limitations under Fed.R.Crim.P. 32(b)(6), objections to a presentence investigation report must be filed in writing and served on the opposing party at least 10 days before the scheduled sentencing, unless otherwise provided by Court order.

Criminal L.R. 32.2 Confidentiality of Presentence Reports

- (a) No confidential records of this Court maintained by the probation office, including presentence investigation reports and probation supervision records, must be disclosed except upon written petition to the Court establishing with particularity the need for specified information contained in such records. No disclosure shall be made except upon court order. Nothing in this rule shall be construed so as to deny the subject of any presentence report and/or the subject's counsel the right to review such presentence report without consent of the Court.
- (b) Any copy of a presentence report which the Court makes available, or has made available, to the United States Parole Commission or the Bureau of Prisons, constitutes a confidential court document and must be presumed to remain under the continuing control of the Court during the time it is in the temporary custody of these agencies. Such copy shall be loaned to the Parole Commission and the Bureau of Prisons only for the purpose of enabling those agencies to carry out their official functions, including parole release and supervision, and must be returned to the Court after such use upon request. Disclosure of a report is authorized only so far as necessary to comply with 18 U.S.C. § 4208(b)(2).
